

7 Reasons you should go to the November Detroit IT Brew & Chew:

- 1 Uhh, 4 pm beers that technically qualify as work...helllooo?! You still need more reasons? Okay...
- 2 Perfect opportunity to bust out your hilarious joke about binary code!
- 3 No awkward ice-breakers (just a Tik Tok dance-off, NBD).
- 4 Let them miss you at the office a bit.
- 5 It'll give you an excuse use clothing from the rarely-visited "non-elastic" side of your closet.
- 6 Low risk of running into an old ex.
- 7 Street cred.
