- The Cleo Swivel Chair's sophisticated lines and smoothly sloped arms make it just the piece to bring a room together. Then Cleo's 360-degree swivel can bring you together with the room...with smooth, easy access to all the action.
- The Dorian Power Rocking Recliner features grand proportions, soft cushions and the ability to transform your day. The power adjustable back, bucket seat and legrest will melt away stress and tension. The gentle rocking will send you off to bliss!
- Hold a spot for yourself on the Joel Reclining Loveseat. Smooth lines, casual contours and lush cushioning will grab your eye. Pillowy arms will pull you in, then recline the plush chaise seats into a zone of comfort and feel the embrace of calm.
- The Liam Gliding Recliner gracefully spins, glides and reclines in a dance of comfort and style. Lean back in the chaise seat and kick up your legs for a comfy stretch. Liam's flared arms, clean lines and refined silhouette get a sitting ovation.
- The Riley High Leg Power Reclining Chair will elevate the décor of any room with its flowing sculptural lines and casual elegance. Riley's style will leave an impression, but its true charm lies in its inviting comfort and power to fully recline.
- Some pieces simply make a room—and Marietta is one of them. Gorgeous from every angle, its elegant silhouette and diamond-tufted back radiate its charm to all points of the room. This is a chair that will elevate your décor to another level.
- The Liam Power Rocking Recliner creates a perfect harmony between comfort and style. Its tall back, cozy chaise seat and rhythmic rocking will ease strain. Sleek flared arms and a clean silhouette will lend a bright note of refinement to any room.
- The cozy Cleo 2-Arm Chaise with Storage was designed for book readers, movie marathons, dog cuddlers, afternoon nappers, scarf knitters and cross-word puzzlers. Grab your throw out of the storage compartment and rejoice--you found the perfect spot!
- The Stratus Power Rocking Recliner w/ Headrest feels like floating on a cloud. The outsized proportions, extra padding and perfectly adjusted headrest, back and legrest will send you drifting along on a tranquil breeze as you rock your cares away.
- The Meyer Left-Arm Sitting Chaise w/ Storage has clean, bold lines with a sturdy armrest and an expansive seat perfect for stretching out and enjoying some daydreams. Or grab your throw from the storage compartment and settle in for some real dreams.

- First, the Brentwood High Leg Power Reclining Chair will get noticed for its vintage good looks. Then, it will capture hearts with its plush comfort and smooth recline. Timeless style and power recline--welcome to your new favorite place!
- The Brooks Power Rocking Recliner w/ Headrest offers enormous comfort in a smaller size. The clean contours of the back and simple lines of the streamlined arms come together to create a refined look that will be the perfect fit for any room.
